Supervision Meets Positive Psychology

Friday, May 12, 2017 • 8:45 a.m.-12:00 p.m. 3 CEUs
Meets Supervision Requirement

Supervision can be stressful when dealing with personnel, management and crisis situations. This workshop will focus on helping supervisors learn therapeutic ways to regulate themselves as well as their supervisees in order to sustain optimum performance levels.

Presenter: Dr. Linda Mercuri Fischbach, EdD, LPCC-S, has 35 years of supervisory, management and clinical experience. With a doctorate in Counselor Education and Supervision from the University of Cincinnati she taught as an adjunct counseling professor at the University of Dayton 14 years. She recently retired as Clinical Director from Family Services.

Opiate Epidemic in Montgomery Co.: Causes, Impact & Strategies

Friday, May 12, 2017 • 1:00-4:15 p.m. 3 CEUs

This epidemic has plagued our nation and communities for more than 10 years. Unlike any other drug epidemic, the death toll and trauma continues to escalate despite significant intervention efforts. Participants will learn about the historic and current state of this scourge, and the current strategies underway to combat the epidemic.

Presenters: Andrea Hoff, MPA, GPC, OCPC, ICPS, is Director of Prevention/Early Intervention with the ADAMHS Board, and has worked in behavioral health for 20+ years. She is an Ohio Certified Prevention Consultant and a certified Adult & Youth Mental Health First Aid Instructor. She has extensive grant, fundraising and evaluation experience. Jennifer Cox, MA, has a Master's in Dance/Movement Therapy, with 20+ years of clinical practice. She is the ADAMHS Board Director of Training, where she is responsible for developing, and implementing a comprehensive training plan. She is a National Instructor for Adult & Youth Mental Health First Aid.

Understanding Alzheimer's & Dementia: Strategies for Caring & Effective Communication

Friday, June 9, 2017 • 8:45 a.m.-12:00 p.m. 3 CEUs

This workshop will help participants understand the risk factors and 10 warning signs of dementia. Those attending will learn how to more effectively communicate with and understand the behaviors of individuals living with Alzheimer's and dementia, and will gain strategies to affirm the dignity and worth of the individual within.

Presenter: Rebecca Hall, MSW, LSW, is Director of Education at the Alzheimer's Association Miami Valley Chapter. She has several years of experience in program administration, including providing health and wellness programs to seniors, and has provided coaching, information and referral to Alzheimer's and dementia caregivers.

Ethical Challenges

Friday, June 9, 2016 • 1:00-4:15 p.m. 3 CEUs
Meets Ethics Requirement

Counseling professionals are faced with ethical situations daily. This workshop engages participants in recognizing what ethics are and why they are needed, understanding social work values and ethical principles, and learning how to apply ethics every day and in the workplace.

Presenter: Linda Gatten Butler, MSW, ACSW, LISW-S, is the Founder and Past President of the Miami Valley Ohio Chapter of the Grant Professionals Association, former national GPA board member, and current board member Planned Parenthood SWO and the Association of Fundraising Professionals of Greater Dayton. She has 45+ years experience as a clinician, administrator and fundraiser, and is president of Butler Consulting.

Attachment Disorders: Identified & Explored

Friday, July 7, 2017 • 8:45 a.m.-12:00 p.m. 3 CEUs

The most critical factor affecting healthy childhood development is attachment to the caregiver. If denied and interrupted, a host of problems can ensue. This workshop is designed to provide understanding of the attachment process, Attachment Disorders according to the DSM-5, and long-term mental health risks. Child and adult treatment modalities will also be discussed.

Presenter: Janice R. Morabeto, M.Ed., LSW, CHT, has 25+ years clinical experience working with children, families and adults, helping them bring wellness and success in their lives. She has worked as an outpatient, inpatient and residential therapist, clinical director and treatment manager for both psychiatric and drug and alcohol programs. President of Morabeto Mind Legacy Associates Inc., she develops and delivers workshops relating to mental health and therapeutic modalities both onsite and online.

Working Effectively with the ODD Child

Friday, July 7, 2017 • 1:00-4:15 p.m. 3 CEUs

This workshop presents the nature and dynamics of the child/adolescent diagnosed with Oppositional Defiant Disorder (ODD) and identifies treatment approaches that show promise. Time will be spent helping participants reflect on the importance of having coping strategies designed to deal with their feelings of exhaustion and helplessness triggered by the child's emotional outbursts, temper tantrums, and consistent angry mood.

Presenter: Janice R. Morabeto, M.Ed., LSW, CHT, has 25+ years clinical experience working with children, families and adults, helping them bring wellness and success in their lives. She has worked as an outpatient, inpatient and residential therapist, clinical director and treatment manager for both psychiatric and drug and alcohol programs. President of Morabeto Mind Legacy Associates Inc., she develops and delivers workshops relating to mental health and therapeutic modalities both onsite and online.

Don't Talk, Don't Trust, Don't Feel: Growing Up with an Addicted Parent

Friday, Aug. 11, 2017 • 8:45 a.m.-12:00 p.m. 3 CEUs

This workshop examines the dynamics of growing up with an addicted parent, including the family drama and its emotional effects on children. Referencing the powerful documentary: *An Alternative to Slitting Your Wrist*, this workshop examines issues of co-occurring depression and a pathway to triumphant recovery.

Presenter: Brian Lowery, MPA, LSW, has been an instructor in the child welfare field for the past 30 years. He is a State Licensed Social Worker and recipient of the prestigious Linda Pope Award from Ohio Child Welfare Training Program and Trainer of the Year for the Northeast Region. Brian is a sought-after consultant and trainer with child welfare organizations throughout the Midwest.

Motivational Interviewing: Preparing Clients for Change

Friday, Aug. 11, 2017 • 1:00-4:15 p.m. 3 CEUs

Motivational Interviewing is a counseling style adopting a brief intervention format, using critical elements serving as catalysts for motivation and change. This workshop serves as an introduction to MI and focuses on strategies to build client commitment to change; giving participants the basic tools necessary to incorporate this approach into their counseling practice.

Presenter: Brian Lowery, MPA, LSW, has been an instructor in the child welfare field for the past 30 years. He is a State Licensed Social Worker and recipient of the prestigious Linda Pope Award from Ohio Child Welfare Training Program and Trainer of the Year for the Northeast Region. Brian is a sought-after consultant and trainer with child welfare organizations throughout the Midwest.

Seven Steps to Becoming a Culturally Competent Counselor: How to effectively work with diverse clients

Friday, Sept. 8, 2016 • 8:45 a.m.-12:00 p.m. 3 CEUs

Cultural competency is considered a driving force in the field of counseling, yet many counselors still feel as if they are not prepared to meet the unique needs of diverse clients. This workshop will present seven steps to increase your competency and improve your effectiveness when working with culturally different clients.

Presenter: Dr. Denita Hudson, Ph.D., PC, NCC, currently serves as an Associate Professor at the Chicago School of Professional Psychology in the Clinical Mental Health Counseling program. She has taught courses in multicultural counseling for over 10 years and has conducted research in the area of counseling Latino clients, culturally competent supervision and African American female success in doctoral programs.

Serving Populations with Disabilities

Friday, Sept. 8, 2017 • 1:00-4:15 p.m. 3 CEUs

This workshop will consider disability and its impact on the counseling process, with discussion covering communicating with deaf, hard of hearing, and Deaf-Blind clients; impact of disabilities on mental health; addressing communication/sensory challenges; when to talk and not talk about disability; and challenges working with those with multiple disabilities.

Presenters: Jessica Guess, MS, CRC, is a Certified Rehabilitation Counselor with a Masters in Vocational Rehabilitation from the University of Wisconsin-Stout. She is Program Director for ASL/Deaf Studies at the University of Cincinnati, where she is also a doctoral student in Counselor Education/Supervision. Cheryl Hamant Roslund, LISW-S, received her degree from the University of Michigan, and has been a licensed social worker for 26+ years. For seven years she has been providing counseling and overseeing case management services for Deaf and Hard-of-Hearing as the Director of Community Services for the Deaf.

An Introduction to Cognitive Processing Therapy for PTSD

Friday, Oct. 20, 2017 • 8:45 a.m.-12:00 p.m. 3 CEUs

This workshop is an introduction to Cognitive Processing Therapy—a highly effective evidence-based cognitive therapy for PTSD. The presentation will include research in support of treatment effectiveness, an overview of treatment both broadly and session-by-session, and problem solving issues when using manualized treatments.

Presenter: Jessica R. Beadel, PhD, is a post-doctoral fellow in clinical psychology at the University of Cincinnati Health Stress Center treating clients and conducting research studies on PTSD and Cognitive Processing Therapy. Her PhD in Clinical Psychology is from the University of Virginia, where she specialized in anxiety and related disorders. Jessica has co-authored numerous research articles and several book chapters on this topic.

Time Management for You & Your Clients

Friday, Oct. 20, 2017 • 1:00-4:15 p.m. 3 CEUs

26 minutes/15 seconds is how long it takes to get back on track once distracted. This workshop will explore differences between goals, action items, and to-dos; and between benchmarks, due dates and hard stops. We will learn scheduling tools, and discover ways to manage time when someone else is in control. This can be used with your clients too!

Presenter: Meredith Montgomery, MS.Ed., LPCC-S, owns a private counseling practice and teaches master's counseling courses as an adjunct faculty member at the University of Dayton and the University of Cincinnati. She is a doctoral candidate at the University of Cincinnati, conducting research into how counselor education programs are preparing counselor educators to teach.
