A HEALING SPACE

our community

While there are many pathways to recovery, a sober, encouraging community is essential to all *lasting* recovery.

At Recovery Café, we share our selves with one another—our triumphs and setbacks—over a cup of coffee, a bowl of soup, or a friendly game of cards!

Our healing space enables members to develop meaningful, supportive relationships and be witness to one another's healing and transformation to a life of stability, sobriety and service.

our space

Recovery Café is a drug- and alcohol-free space where men and women who have been traumatized by homelessness, mental health challenges and addiction can become part of a healing community and build a foundation for lasting recovery.

OUR PROGRAM

Everything our community offers is intended to help one another heal emotionally, mentally, physically and spiritually, so that we can all reclaim our lives..

Our program fosters the sustained recovery that members need in order to secure and maintain housing, employment and healthy relationships.

Recovery resources are built into our community membership model. They include: after care, sober living, relapse prevention, as well as peer-to-peer support circles, social and health services, education opportunities, and job training.

HOW TO BE PART OF OUR HEALING COMMUNITY

First, stop by during café hours for a visit. We are open Thursdays and Fridays, from 1:30 p.m. to 5:30 p.m.

Then, discover all the benefits of becoming a member by attending a New Member Introduction. New Member Introductions are held every Tuesday at 12:00 p.m.

There are no dues or fees to join our community.
